

El Dorado County
Ag in the
Classroom

Presents:

In partnership with:

- El Dorado County Office of Education*
- El Dorado County Farm Bureau*
- UC Cooperative Extension*
- El Dorado County Fair Association*

Come Learn About Agriculture!

- Do you know what a pest is?
- How many things in your house come from plants or animals?
- What do plants need to grow strong and healthy?
- Interactive activities teach where food and fiber comes from.
- Bring a brown bag lunch , snack and drink

What is Farm Day?

It's a fun-filled, hands-on activities day introducing 3rd Grade students to agriculture and how it affects our everyday lives.

The opportunity for community members to share their expertise and enthusiasm with young students and their teachers.

Educational booths, displays, and interactive activities .

There are no admission fees for this event.

Questions? Contact Britney Pettibone or Valerie Zentner at 530-622-7773 or valeriez@edcfb.com.

Teacher Reply Form

Sign me up for
Farm Day 2008!

I understand that acceptance is on a first come, first served basis and that if no space is available, my class will be "wait listed".

I understand that we will need to provide adult chaperones for this event.

I understand that my students will need to bring a bag lunch, snack and drink.

I agree to attend a **mandatory** Teacher In-Service Training at EDCOE. I understand that if I fail to attend my class participation will be forfeited. Please choose one:

_____ April 15 (3:30—5:30) Room B-2

_____ April 17 (3:30—5:30) Room B-2
