Farm Day 2008 at the Fairgrounds

What is Farm Day?

It's a fun-filled, hands-on activities day introducing 3rd Grade students to agriculture and how it affects our everyday lives. Community members to share their expertise and enthusiasm with students and their teachers through Educational booths, displays, and interactive activities.

In 2008, an estimated 1000 3rd Grade students plus chaperones and teachers, will enjoy Farm Day.

We need you!

- A successful Farm Day is dependent upon the generosity of numerous volunteers. Volunteers help in a variety of ways—escorting groups of students and teachers, monitoring and assisting presenters, providing information to students and adults
- If you would like to help by volunteering please return the form below to the Farm Bureau in the enclosed envelope.
- An in service to prepare volunteers for their jobs will be held at 8:15 am on Farm Day, May 8, at the Fairgrounds.
